Greetings!

Listeners from around the country have signed up for the Positive Life Radio Easy Pay program because it is so convenient. Easy Pay automatic withdrawals allow you to make your donation each month.

"I'm not good about meeting deadlines, and paying things in a timely manner," says Karen, an Easy Pay participant. "It was easy for me to do this and great to know I'm making a donation each month. I really felt led by the Lord to do this."

"It's important for us to support Positive Life Radio," says Carolyn, another participant in the program. "Easy Pay makes it easier. You don't have to remember to send in your donation. When everyone gives a little bit, it turns into a huge gift."

Your donations continue until you tell us to stop or change the amount or account number. No hassles for you- no check writing, no reminder post-it notes. And it helps the ministry of Positive Life Radio because we can count on that monthly donation to arrive each month like clockwork.

You can start your Easy Pay donation at any time. To receive your Easy Pay sign-up form, call us at 1-800-355-4757. Then, just fill out the form, attach a voided deposit slip or check, and send it in. You can also sign-up using your credit card on our website-- www.plr.org. We'll take care of the rest!
