Dear Friend,

It's that time of the year again! Our annual Christmas in July Food Drive is coming up in a week! On July 25th, we will be setting up donation locations all around the Inland Northwest where you can drop off your non-perishable food items to help fill our local foods banks during their low summer months. The event runs from 12:00 noon to 6:00 PM.

Make it fun! Get your coworkers together, your family, your church group and start collecting now. During the summer, local food banks tend to run low and are in great need of an extra boost.

Wondering where you can find your nearest location? Click here. And don't forget to listen in during the food drive for some of our very favorite Christmas classics!

-PLR Team

PS: Wondering what kind of the things the food banks need most? Here's a couple of ideas: cereal, peanut butter, canned tuna and stews, chili, juice, and rice. But be creative! All types of foods are welcomed and needed!
