Dear friend,

Each day, we are given opportunities to reach out to the people around us and show them God's love. During the month of February, we are once again doing our 28 Ways in 28 Days Hands and Heart Project! For each day this month, we will be giving you a person or group of people to focus on and show appreciation to.

We'll be starting today, February 1, with Affirmation Day! We ask you to join us during this special annual project. If you want to know what is coming up throughout the month, they're listed on our website.

Welcome to 28 Ways in 28 Days! Share with us on our Facebook page how you are being the Hands and Heart of Jesus this month.

Blessings,

PLR Team
