One day in the fall isn't enough to celebrate our thanks...it really should be every day. On Friday, February 20th, we'll be focusing on giving thanks.

Giving thanks can take many different forms, from simply remembering to give God thanks for the things big and small, to writing a quick note thanking the people in your life who have done something kind or meaningful for you.

Our staff will be at various locations around the Inland Northwest on Friday! We'd like for you to drop by and say hello. We'll have a number of things that you can pick up, including our window decals, Drive Thru Difference cards, and a free cookbook from a friend of Positive Life Radio has put together.

We also thought it would be fun to compile a bunch of favorite recipes from around the Inland Northwest, if you have a favorite recipe that you would like to share, drop a copy at one of our locations. We'll put them together to share with the Positive Life Radio Family.

We looking forward to seeing you tomorrow!
