This week we have a request for prayer from Jon Wood and Jesus for Asia.

The Dream, the Golden Opportunity

Back in 2004 God gave us a dream - to have television in the Thai language that told the story of Jesus' love. There are 66 million Buddhists in that beautiful country that is still less than 1% Christian and less than half have ever had a chance to hear the gospel in any form. After a few years of praying the Lord finally said, "What are you waiting for?" We started building with nothing and now there is a beautiful studio (http://www.jesus4asia.org/wp/?page_id=42) waiting for equipment and people to start production.

Still, we need a way to distribute the programs to the masses of people in Thailand. The Thaicom5 is the most popular Direct-to-Home satellite in Thailand but costs almost $30,000/month. Just last week a board member of HCBN-Thailand (http://hcbn.in.th/) connected with a company that owns 15 channels on...
Thaicom5 who said we could have our own channel with them for only $6,500/month! That is cheap for satellite. There will be at least 14 million subscribers not to mention all the cable companies that will automatically add the channel to their lineup.

Please pray for this amazing tool to multiply the message of our Savior to tens of millions in their own language and culture.

If this is something God is laying on your heart, you can go to http://www.jesus4asia.org/wp/?page_id=42. At the top right of the page click on Donate. On that page, Click Here for the Complete List of Projects is the first option. In those options scroll down to All-Asia TV Studio in Thailand.
