Six Evangelistic Series in Six Cities in Thailand

II Corinthians 4:1

THEREFORE seeing we have this ministry,
as we have received mercy, we faint not.

Training for European and Australian Evangelists
Scott Griswold just visited Mae Sot, a city in Thailand near the Myanmar border. He was invited by Elder Phamor, a Karen pastor to train some evangelists from Europe and Australia. They are gathering to partner with local workers to hold evangelistic meetings in six sites. Those attending will be Christians, Buddhists, and animists, of Burmese, Karen, and Thai origin. Scott described the training meeting as "...especially inspiring. The foreigners were earnestly praying for God's leadership and for the Holy Spirit. They are eager to learn all they can about the local culture and religions and then to share the good news in a way that connects with the people."

Please pray for these meetings that are happening July 27 through August 6. The specific town and villages are Mae Sot, Mae Pao, Cow Market, Myowadee, Timoo, Kanatchee, and four places in the refugee camp of Mae La. Scott reminded the speakers, "These meetings are a spiritual battle. The enemy hates God and doesn't want Him worshipped. The most important thing you can do is pray, because it's God alone that can open the hearts."

Please join the workers in prayer to help God be known and loved.
Romans 12:12

Rejoicing in hope; patient in tribulation; continuing instant in prayer.
