Remembering and reaching a community in crisis

PROJECT: Steps to Christ...
Taking the Hope of Jesus to Newtown Connecticut

How You Can Help Reach Every Home

As God's Spirit of grace and mercy have been poured out on the small communities surrounding Sandy Hook Elementary School, all devasted by the tragic loss of so many young and innocent lives there on Dec. 14, it seemed good to continue this ministry of compassion by sharing with them the book Steps to Christ, which has brought so much comfort and hope to so many around the world. So in January of this New Year, 9,949 copies of The Path to Peace will be mailed to every home in Sandy Hook and Newtown, CT with many more prayers that hearts will be touched by this simple gospel message and the Savior it reveals.
As God was impressing us with the need to reach out to these hurting communities with the message of His saving love, He was already touching the hearts of donors to help with this project. One third of the cost of the mailing has already been pledged or given. We still need to raise an additional $4,000. We are praising God for providing everything we need to complete this special project. Any funds raised beyond the amount needed for these two towns will be used to extend the outreach to other affected communities within a ten-mile radius* of the tragedy (which we believe God is turning and will turn into triumph for many).

*There are over 73,000 homes within a ten-mile radius of Sandy Hook Elementary School.

To make your tax-deductible donation toward this soul-winning project, please call 1-800-728-6872 or click on the PayPal secure donate button now.

Thank you for your generous support!!!

In January The Path to Peace will be mailed to all the residents of Newtown and Sandy Hook, CT.

You’ve asked the same question and found the answer in God’s word. Now you can help share that hope with the residents of Newtown.
