¿Questions, Questions?

-CW Says,"I am receiving numerous phone calls and emails inquiring, 'Charles, when do you think the US is going to attack Iran?'

I would like to share my viewpoint regarding Daniel chapter 8 (Ram versus He-goat), as simply and clearly as possible.

The question is not 'when will the US attack Iran?' -- IRAN (Persia) is the provoker! Iran will do something against Israel or against the United States or against Saudi Arabia or against someone -- THEN the United States will furiously and angrily respond and attack Iran!!

"I saw the ram pushing westward, and northward, and southward; so that no beasts might stand before him, neither was there any that could deliver out of his hand; but he did according to his will, and became great.

And as I was considering, behold, an he goat came from the west on the face of the whole earth, and touched not the ground: and the goat had a notable horn between his eyes.

And he came to the ram that had two horns, which I had seen standing before the river, and ran unto him in the fury of his power.

And I saw him come close unto the ram, and he was moved with choler against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand."  Daniel 8: 4-7, KJV, emphasis supplied.

Whatever Iran is going to do to anger the West, will startle the world!! Will it be a nuclear test? Will it be a series of missile launches? Will they sink ships in the Straits of Hormuz? Only Heaven knows what the 'second-higher Horn' of the Ram
is going to do.

**THIS I KNOW: THE STAGE IS SET.** Iran has just passed two of its warships through the Suez Canal and the United States and Israel have both stated in the world press that, 'THIS IS A PROVOCATION ON THE PART OF IRAN!'

Once again, the question is not, 'when will the United States attack Iran?' The answer according to Daniel chapter 8: the Power from the West will be infuriated by some provocation on the part of Persia (Iran) and THEN attack!

Be prepared for a total (immediate?), collapse of the US dollar, the US economy and immediately thereafter, the global economy!! -- *Welcome to the New World Order.*
