"Here Comes the Beast!"

At its January, 2010 annual WORLD ECONOMIC FORUM in Davos, Switzerland, many nations, including the United States, signed AN AGREEMENT TO REFORM THE IMF CAPITAL STRUCTURE.

As a follow up, it would be necessary for the U.S. Congress to vote and ratify that agreement -- so far they have refused to sign this agreement, even to this date! Why?

"Here Comes the Beast!"

By Charles Wheeling

At its January, 2010 annual WORLD ECONOMIC FORUM in Davos, Switzerland, many nations, including the United States, signed AN AGREEMENT TO REFORM THE IMF CAPITAL STRUCTURE.

As a follow up, it would be necessary for the U.S. Congress to vote and ratify that agreement — so far they have refused to sign this agreement, even to this date! Why?

At present, the U.S., as the largest contributor to the IMF, holds 17.69% voting power, granting the U.S. veto power over IMF decisions.

In 2010, the world said to the U.S., “Get out of the way or we will get you out of the way!” Because the U.S. has steadfastly refused to surrender its veto power and keep the 2010 IMF Reform Agreement, the BRICS was formed and 120+ nations have since joined this new alternative to the IMF.

In November 2014, In order to further pressure the U.S. Congress — pressure which had been increasing since 2010 — the IMF secretly bribed U.S. Congressional members by allowing them and their families to purchase certain foreign currencies (soon to be released and revalued), and exchange them (ahead of U.S. citizens) for hundreds of millions of U.S. dollars. This bribe/favor was accomplished as IMF granted SDRs (Special Drawing Rights); then U.S. banks would issue favored persons SKRs (Safe Keeping Receipts), used as collateral for $ loans.

The Global Currency Reset (GCR) has been withheld to date, to punish the US economy and coerce Congress to sign the 2010 agreement. This power-play refusal on the part of the U.S. (Congress) and the IMF, has literally brought the entire world economy to THE BRINK OF ECONOMIC MELT-DOWN!

Now the Pope is coming to the U.S. September 22, 23, to, I BELIEVE, pressure the U.S. Congress to sign this “Death to America Agreement;” I believe he will succeed and we (Congress) will accede (Surrender)!!

Then we should expect the Pope to announce this “Good News” to the whole world (via the United Nations) and the IMF will push the GCR button before September 30.

HERE COMES THE NEW WORLD ORDER!
HERE COMES THE BEAST!!
