SUD Publishing Ministries Casts Its Vision
by Benedict Biswas | SUD Publishing Director

The Southern Asia Division (SUD) recently held a historic publishing advisory. For the first time, the advisory was attended by all union publishing leaders and some union treasurers, as well as all the publishing leaders, ABC/HHES managers, and treasurers of the local missions.

The meeting was hosted by the Oriental Watchman Publishing House.

The Lord has provided a generation of new publishing leaders in the Southern Asia Division. We feel that this publishing advisory was one of the finest ever. God richly blessed our meetings, and each delegate personally. We thank the Lord for His guidance.

Since the advisory, each union has started conducting literature evangelist (LE) recruiting and training programs. The student LE program is one of our top priorities. We have taken an action to translate *Colporteur Ministry* and make it available in all languages represented in our division.

Our vision for this quinquennium is to meet the goal of having 2,000 LEs, together with more than 1 million members, distribute literature as never before. By the grace of our almighty God we are working diligently toward a great revival of the publishing work in India.뤄

SUD Publishing Advisory delegates
On the morning of November 18, a large tractor-trailer delivered the first shipment of *The Great Controversy* missionary book to the mountainous territory of the North Caucasus Mission in the Euro-Asia Division (ESD).

More than 20 tons of cargo were transported, a total of 50,000 copies! The books were unloaded by mission administrators, pastors, women, and children. Taking into account that one mission alone will be distributing 100,000 copies of *The Great Controversy*, we are extremely grateful to God for that cargo!

Each church member in this area is prepared to distribute 56 copies of *The Great Controversy* between 2012 and 2013.

Many current members became Seventh-day Adventists because of this book. They are eager to witness to the residents in this area, most of whom profess Islam and Orthodoxy.

Please keep our brothers and sisters in the Caucasus in your prayers as they carry forward God’s work!
During the summer, student LEs in Norway sold 34 tons of books. At the end of the program, students earned, on average, enough to pay for two and a half years of boarding school. Students were from Seventh-day Adventist universities in Tanzania, Uganda, and Kenya.

The outcome of the program was a tremendous blessing. A total of 31,000 books were sold, including 11,000 health books, 11,000 nature and travel books, 6,000 children books, and 3,000 spiritual books.

We praise the Lord!

SSD leaders praying for the GCP

The West-Central Africa Division’s (WAD) year-end council meetings just concluded, and I have a wonderful testimony to share.

Twelve Nigerian lay members (like the 12 apostles) have decided to print 5 million copies of The Great Controversy in full version. Their ultimate goal is to reach 10 percent of Nigeria’s population, about 167 million people, which makes the goal 16.7 million copies.

With these additional copies, WAD has reached and surpassed its original goal of 12 million.

We praise the name of the Lord for what He is doing in WAD in order to finish His work, so that we may at last go home!

The work is soon to close. The members of the church militant who have proved faithful will become the church triumphant. . . .

And still our General, who never makes a mistake, says to us, “Advance; enter new territory; lift the standard in every land. ‘Arise, shine: for thy light is come, and the glory of the Lord is risen upon thee.’”

The time has come when through God’s messengers the scroll is being unrolled to the world. The truth contained in the first, second, and third angels’ messages must go to every nation, kindred, tongue, and people; it must lighten the darkness of every continent, and extend to the islands of the sea. There must be no delay in this work.

Our watchword is to be, Onward, ever onward! Angels of heaven will go before us to prepare the way. Our burden for the regions beyond can never be laid down till the whole earth is lightened with the glory of the Lord (The Publishing Ministry, p. 402).
