King Sun was brought to Christ during our evangelistic meetings in Baguio City, Philippines earlier this year. Take a moment to see his remarkable story of finding Jesus, beginning with a flyer at the bus stop. During our final meeting in Baguio City, King Sun told the audience, “That day at the bus stop, God prepared that brochure to be at that place just for me.”

This year, more than 125,000 people around the world will be reached through Quiet Hour Ministries evangelism efforts.
