What’s Happening

- Our Week of Prayer speaker, Pastor Rogers from the Harbor of Hope Church, is a self-described “Kids’ Pastor”, and it shows! Have your kids told you the story about the pregnant lady and the pig, or the girl who ate Oreos and milk on the airplane? Pastor Rogers is blessed with the gift of reaching our students for Jesus.

- RMES will go through an evaluation for accreditation in April 2012. This evaluation ensures that our school runs smoothly and that your students are receiving a quality education. There are five committees that will survey different areas of our school, and students and parents will become involved later this year by taking part in a survey. Thank you in advance for your cooperation with this important process.

- Have you checked out the RMES website lately? You can get calendar info, lunch menu, look at photos, go to iNow to look at your student’s academic progress, and discover all things RMES.
