What’s Happening

- Here we are at the beginning of the 2nd semester already! It seems like the school year just started, but we are about half way through. Let’s work together to make this the best semester yet!

- While we realize that students are excited about all of the new items they got for Christmas, please take the time to remind your students to leave their electronics and other non-school related items at home! Thank you!

- A flyer regarding home fire safety was sent home today. Please take the time to read this important information. It could save a life!

- There is snow on the ground! Make sure your student has snow pants, a winter coat, gloves, a hat, and snow boots for outdoor activity.

- Need snow boots? The Optimist Club has donated to RMES families in need. Please contact the office for more information.

- Today’s assembly featured Jr. High mission activities at Salvation Army, guest speaker Maggie Mendoza, and a report on our Hope for Humanity offerings. We’ve reached $300 of our $1,000 goal! Students have the opportunity to give to this offering in their classrooms. Let’s make helping others a priority and raise $1,000 for Hope for Humanity!

Welcome to 2012!!
