What’s Happening

- Our first annual RMES Hat Day was a success!! Thanks to our students and teachers for their participation, and to parents for your support and encouragement! Check out the photo gallery on our website.

- RMES Visitors’ Day is coming up on Tuesday March 6th. Some of you may have attended Visitors’ Day in the past and may know how valuable this opportunity is to new and potential students. Visitors’ Day is specifically designed for students who will be in grades 1—8 next school year. If you have a friend, neighbor, or family member who is thinking about Adventist education, invite them to Visitors’ Day! More information is available on our website.

- Brains, chicken legs, and eyeballs... oh my! Some of our C Wing students are learning about God’s cool creations in the Jr. High Science Lab. They’ve been using scalpels and other instruments to do some hands-on (or glove-on!) learning. What a neat experience!

- Students in grades K-3 will sing for PMC Sabbath School on May 25th. Call time is 10:00am in the music room at the church. Regular Sabbath dress is required. We’ll see you there!
