Share and Care

Day of Prayer and Restoration is this coming weekend. Two programs have been planned and will be uplinked for use on Sabbath, January 8. There is a worship service with music by Rob Folkenberg, III, and sermon by Ron Clouzet. The afternoon meeting will include the above, except Clouzet will preach a second sermon plus you’ll hear inspiring interviews and prayer initiatives. Attend with an open heart, ready to be energized and motivated for another year.

There are some important tips in this newsletter. Don’t miss them. It will make the online registration process easier. And, Dr. Clouzet has set up a NET 2011 prayer blog site! Check it out.

Jesus in Your Church
Sabbath, January 8

The first nationwide NET 2011 related event will be this Sabbath, January 8, 11:00-12:00 noon and 4:30-6:00 pm EST on Hope Church Channel.

The live event, Jesus in Your Church, will feature NET 11 speaker Ron Clouzet, Director of NADEI, with two biblical, inspirational, and practical messages. Fred Kinsey, Director/Speaker of the Voice of Prophecy, will be the telecast’s MC. It will also introduce a new musical talent, Rob Folkenberg III, and provide lively interviews with Judith Miranda, soul winner extraordinaire, and Pastor Pavel Goia, subject of Greg Budd’s recently published book by the Review & Herald Publishing Association, One Miracle.
**After Another: The Pavel Goia Story**. Ruthie Jacobsen, NAD Prayer Ministries Coordinator, will launch a major prayer initiative across the Division.

Please join us for this revival opportunity as we look for the Holy Spirit to make a never-before-seen impact in the North American Division, urges Clouzet.

Please share this information with your church family, sister churches and anyone who is seeking a renewed experience with the Lord in the coming year.

**Trouble registering online for Prophecies Decoded?**

Try once more and follow these tips.

For pastors using the new Google Chrome browser, there is an autocomplete form that is causing a problem. The form thinks the autocomplete is spam, so it won’t allow them to register. The form is working in all the other browsers such as Explorer, Firefox and Safari without problems.

**Solution:** Notice the note at the top of the form to either turn off Autocomplete if the user is using Google Chrome, or use another browser.

If you continue to have problems, please let us know.

**Registration:** As of today, there are 50 sites registered! Praise God! Planning ahead is always a good idea.
