Share and Care
The love of Christ controlled every aspect of the lives of the disciples and moved them to a passionate commitment to His service. They sought God for the promised power of the Holy Spirit and knelt before Him in heartfelt confession and earnest repentance. They were absorbed in reaching the world with the gospel, but recognized they were powerless to accomplish the mission without the mighty outpouring of the Holy Spirit.

Ron Clouzet, Andrews University Theological Seminary professor and director of the North American Division Evangelism Institute (NADEI), has accepted the Division challenge to REACH Out by coordinating a year of outreach seminars culminating with a full message series to begin September 30. He is expanding the team by enlisting the talents of seminarians and also the NADEI staff to hold a field school of evangelism at the live site in Nashville, Tennessee. He is inviting your church to join the team. As of January 18, 111 churches have decided to do so. There’s still time to register before the Early Bird deadline to receive free resources that will enhance your evangelism objectives for this year.

The initiative was launched during a Day of Prayer and Reformation on January 8. Many churches and homes tuned into the Jesus in Your Church broadcast to hear inspiring stories of how God is using men and women to share the gospel, and to hear Pastor Clouzet’s messages and invitation to join forces to accomplish great things for the Lord in 2011.
