Great Seminars and Programs from REACH-NYC.

Tomorrow:

The return of
Dear Wendy,

The Chapel At Union Square, continues this Saturday with a conversation on Ephesians 3:16-21. What did the Apostle Paul mean when he suggested that each of us "being established in love, may have power, together with all the saints, to grasp how wide and long and deep is the love of Christ, and to know this love that surpasses knowledge -- that you may be filled to the measure of all the fullness of God."

Saturday, April 27, 2013. Be there for "Conversations"!

The Chapel At Union Square: Imagine a place where a minister or a rabbi doesn't do all the talking. A place where we can come together for thoughtful discussion on issues that face each one of us. In this intimate space, where you are encouraged to come as you are, share some music, study the Word together, and to share life experiences, all the joys and pain that comes along with it.

Our gatherings are called "Conversations" and our seminars are referred to as "A Conversation With The Word."

It has been proven, that people can grow only as they relate to others in relationships with a caring community. We invite you to join us. Share your thoughts, dreams, and spiritual needs, as we open the Word and share together.
After a long week in New York City, this relaxing time together can refocus each of us on the more important things in life. If you have a gift for music, please feel free to bring your instrument and share your gift with us. If you are a poet, bring your poetry with you and read it to the group. If you need prayer for yourself or a loved one, please join us, and we will pray for and with you.

Here we share our burdens and our joys, and the verses of scripture that keep us strong. I invite you to join us tomorrow as we begin The Chapel at Union Square, Saturday, April 27, 2013 at 10:00 a.m. - 11:45 a.m. The new venue has been under construction for about a year now, and it is almost finished. Soon we will be able to share simple meal together as we once did.

People of all faith traditions are invited to attend. If you have not attended a church, or synagogue or other house of worship in a very long time, perhaps this simple and intimate venue is what you have been looking for.

Reduced rate parking can be found on East 18th Street, as you head East on 18th Street, in an indoor garage located on the South Side of of the street, between Irving Place and Third Ave.
