The Saturday Morning Worship Seminar Continues this Saturday morning,
November 2, 2013 at 11:30 A.M.
Great music and the important subject:
"Recovery.
Jesus with mud on his feet, looking for you."

For the past several Saturday mornings, Pastor Tony Romeo has been sharing thoughts on surviving the six most common obstacles to spiritual growth, and what it means to become a true disciple of Jesus Christ.

This Saturday, November 2, 2013 at 11:30, the subject will focus on another obstacle that gets in the way of our spiritual growth with God. Using segments from the book, Getting It Right, by Dan Day, and other resource material, we will look at Jesus Christ not only as Savior but also as seeker to those looking to recover their lives. Clearly, Jesus cared about people more than simply to teach them to follow rules.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart. I will be found by you," declares the Lord, "and will bring you back from captivity." - Jeremiah 29:11-14 (NIV)
Join us this Saturday morning, November 2, 2013 at 11:30 a.m. There will be music to enjoy and some refreshing insights into the Word.
