**Back issues (from the 1970s and ’80s) of The Sabbath Watchman**
Published continuously by the American Union in English since 1925 until the General Conference assumed the responsibilities for its publication in 1998, *The Sabbath Watchman* is the official organ of the International Missionary Society. It is also published in other countries with different content.

In the 1970s and ’80s, this magazine was printed at the American Union publishing facility in Denver, Colorado. Extra copies stored there were found when the Religious Liberty Publishing Assn. operations returned to Denver in 2011. Now a limited number of non-archival copies containing gems of inspiration and church news from 30 to 40 years ago may be purchased.

The cover pictures of available issues are shown below (with the quantities in stock in parentheses). Order by the number under each picture (e.g., 1977-1, which gives the year and issue number).

Order while supplies last for **$1.00 each** plus postage. Send an email to info@sd1888.org or call 916-765-3389 if you would like to receive one copy each of all printed issues available.
