"In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins." 1 John 4:10

With all the focus on Valentine's Day and the commercialization of showing people you love them by buying them some flowers, chocolate, or trinkets, we can easily overlook the true meaning of love. The fact that God, the Creator of the universe, loved us enough to send His Son to die and become the remedy for our sin. Let us as thankful recipients of that gift do all we can to remind people this season of that true love! Below you will find some excellent books to share, especially this month.
