Easter (April 24) is fast approaching. While the world has perverted its true meaning with chocolate and bunnies, why not share the real story with your world this year? **What better time is there to share this timely message** than during this season when minds are open to the wonderful truths contained in these pages?

Indeed, no picture, film, or sound will match the breathtaking detail and power of this beautiful volume from the final chapters of the best-selling masterpiece *The Desire of Ages*, a vibrant and biblically faithful commentary detailing the last hours of Jesus Christ's life.

We have extended this offer another week and are not limiting the number of cases you can purchase at this price.
