Have you ever read through the nine-volume set of Testimonies for the Church? If so, you have seen the enormous wealth of practical, hands-on advice for the day-to-day issues in our lives. As we face uncertain days, many agree that we are living in the final hours of earth's history. We need to know and understand the very issues and solutions presented in this collection of useful, guiding counsel. If you haven't yet taken advantage of The Testimonies in one binding, or the audio production, now is the time. Don't miss out on this wealth of knowledge!

Today we need to listen once again. Herbert E. Douglass has skillfully compiled an awe-inspiring journey through some of those most amazing prophecies as they were fulfilled.
