It is so wonderful to see God answer prayers right before your eyes! I know that we all love to see our prayers answered and this answer is no exception. Since the release of the Remnant Study Bible, many people have commented on how much of a blessing it has been. Several people have asked, “What about our children?” Does Remnant have anything for them? We put this matter before the Lord, and with your prayers and faith we are well on our way to producing a study Bible for our young people. We believe this Bible will be a blessing to our youth.

With all of our modern technology most children in this day and age don’t even know Jesus. They don’t know He loves them. They don’t know about His salvation or heaven. They are not connected to the source of Power they so desperately need in their day-to-day lives—in their lives for eternity—Jesus.

This Bible will point them in the right direction. It will feed them the Bread of Life, and it will open the world of E. G. White's faith-building writings to them. Imagine a whole new generation excited about the Spirit of Prophecy again!
We’ve invested a lot of resources into creating the Remnant Study Bible, and it will be no different with this Young Scholar’s version. **We want to give our children a quality Bible that they will love to turn to again and again for comfort, peace, and the strength to stand up for Jesus in the face of peer pressure that most adults these days simply cannot comprehend.**
What we don’t want to do is to create a quality, faith-building Bible for kids that they can’t afford. That’s where you come in. **With your gift this month, and in the months to come, you’ll help make this Bible affordable for every child.**

We need your financial commitment this month—whether $10, $25, $50, $100, $1,000 or more, or however God impresses you to help with the comprehensive, specialized development work on layout and design, for commissioned artwork, etc. These items (development, layout, and artwork) are very expensive and cost a considerable amount of money even before we start the printing process.

We can take but two things to heaven with us—our characters and our children. Everything else will burn and be gone forever. **Will you please help Remnant Publications feed our children this precious spiritual manna so that they can be ready for heaven when Jesus comes? We can do it together with this new resource—The Remnant Young Scholar Study Bible.**

May God richly bless you,

Rudy Hall, President

P.S. Our children are the future of our church. Thank you for your gift that will help our children prepare for eternity.
