THE REMNANT STUDY BIBLE

The Remnant Study Bible is unique in ways that set it apart from all others. This Bible contains more that 1,800 special comments from E. G. White. In addition, this Bible is replete with a full array of Bible study aids, including a complete set of chain reference Bible studies, a section on prophetic symbols, and sections on the prophecies of Daniel and on the Bible’s teaching about the sanctuary.

Of course, this Bible also includes what any good study Bible offers, such as book introductions and outlines, an extensive concordance, an abundance of cross-references, and wider margins for personal notes. No other study Bible offers more features for personal Bible study—and for sharing with others—than does the Remnant Study Bible.
