Pillars of the Christian Faith

On the firm foundation of Jesus Himself, mighty pillars of truth also stand as support columns for His last-day church—pillars such as the
Sabbath, what happens after death, the second coming, the sanctuary truth, and others.

In *Pillars of the Christian Faith*, Three Angels Broadcasting Network Founder Danny Shelton and President/CEO Jim Gilley explore and describe these pillars one by one, showing how each is vital and indispensable to the mission and message of God’s remnant people—how each of them make a difference in our own lives.

You’ll be greatly blessed as you consider once again these stately pillars of truth and apply them to your own daily living.

A segment within the Seventh-day Adventist Church is currently campaigning to change our historic position regarding the ordination of pastors—that only consecrated men should be ordained. In addition, this push to begin ordaining women as pastors is being done in disregard to the world church’s clear policy on this issue. This presents a serious crisis that threatens to fragment our beloved church, create confusion in our homes, and cripple the progress of the three angels’ messages. Your voice here today can help prevent this disunion.
