"That Kind Can Never Change!" Can They...?

In this true story of one man’s struggle with his own homosexuality, many questions are answered: Was he born this way? Was he conditioned by abuse, environment, and circumstance? Could God love him in spite of the lifestyle he was leading? Was it possible for someone like him to change or to be changed?

Herein, the author’s shares his path to victory so that others may know that “nothing is impossible with God."

VICTOR J. ADAMSON is a writer, pastor, concert musician, radio evangelist, and international speaker.

A segment within the Seventh-day Adventist Church is currently campaigning to change our historic position regarding the ordination of pastors—that only consecrated men should be ordained. In addition, this push to begin ordaining women as pastors is being done in disregard to the world church’s clear policy on this issue. This presents a serious crisis that threatens to fragment our beloved church, create confusion in our homes, and cripple the progress of the three angels’ messages. Your voice here today can help prevent this disunion.
