A segment within the Seventh-day Adventist Church is currently campaigning to change our historic position regarding the ordination of pastors—that only consecrated men should be ordained. In addition, this push to begin ordaining women as pastors is being done in disregard to the world church’s clear policy on this issue. This presents a serious crisis that threatens to fragment our beloved church, create confusion in our homes, and cripple the progress of the three angels’ messages. Your voice here today can help prevent this disunion.
