The Great Controversy
(Missionary Edition)

We're calling upon you to join us in another bold initiative. Its urgency is best stated below:

"I am more anxious to see a wide circulation for
In recent years, a diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost as new findings emerge about the incredible complexity of our universe.
