Desire of Ages Series

- *Born to Die*—Jesus is the bridge between heaven and earth,
and this is the first part of His amazing journey straight into your heart.

- *Expect a Miracle*—By His very nature, Christ was a healer. The Creator of life ached to see sin manifested in His creation with deformities, ailments, disease, and pain. He loved to replace heartache with healing, which was a hallmark of His ministry on earth. This book is the story of those miracles.

- *The Master of Love*—In some of the most stunning, beautiful prose you will ever read; you will be treated to the intricate details of His passionate saving ministry and the deep spiritual wealth behind every eternal word of life. This journey of love with the Master will never be forgotten.

- *The Passon of Love*—This gripping and unique narrative goes beyond the physical suffering and explores the deeper spiritual revelation about the intricacies of Jesus’ suffering. If you want to know the true meaning of the passion of Jesus Christ, ask yourself instead, "What is the true meaning of love?" This book provides the answer.

Steps to Christ for a Sanctified Life

Many people who give their hearts to the Lord are as little babes just beginning to walk—so excited at that first step. But unlike the babies who fall and get up to try and try again until they walk without falling, many Christians are discouraged at the failings of their walk with God and do not continue to move forward. Herein find the many facets of God's love to lead us into His grace.
