We're calling upon you to join us in another bold
The Remnant Study Bible is unique in ways that set it apart from all other study Bibles. In combining special comments from E. G. White, with your choice of the New King James or regular King James Version, readers can expect extra depth in their Bible study. This Bible is overflowing with an array of study aids, including a complete set of chain reference Bible studies and sections on prophetic symbols, the prophecies of Daniel, and the biblical teaching on the sanctuary. Additionally, you'll find an extensive concordance, abundant cross-references, and wider margins for personal notes. No other study Bible offers more features for personal Bible study—and for sharing with others—than does the Remnant Study Bible.

Steps to Christ for a Sanctified Life

How to Become and Remain a Christian

Thousands of Christian books today present only one side of God's grace. Many people who give their hearts to the Lord are as little babes just beginning to walk—so excited at that first step. But unlike the baby who falls and gets up to try and try again until he or she walks without falling, many Christians are frustrated and discouraged at the failings in their walk with God and do not continue to move forward.

Now you will be able to put together the pieces of your puzzled life and have peace in your heart. When you search for the path that leads to Jesus and find Him, you won't have to get discouraged. This book will lead you in a direction to discover the secrets to successful Christian living and experience true Christian maturity.
