Deceptions of darkness are coming upon the world just before the second coming of Christ. We are indeed headed for the greatest crisis this world
has ever witnessed. This book takes an in-depth look at the parable of the
ten virgins and shows the reader how to be prepared for the coming time of
trouble.

Prayer 90X
If you will commit to 90 days of worship, for one hour a day, you will indeed
see changes you may have thought impossible. Take a mental picture of
where you are now, and see what the Spirit of God can do for you in 90
days. Your study of the Bible and your prayer life will not be the same!

The War in Heaven
Beyond the realm of the seen, an invisible war rages between the forces of
good and evil. Without understanding the principles involved in the first war,
we may be doomed to repeat the same mistakes that led to Satan’s fall.
The answer to vital questions concerning salvation lie in understanding the
events that led to the first war. The War in Heaven takes readers on an
eye-opening journey back in time to the very first conflict as it unfolded in
the most unlikely place—heaven.

*Praying with a Purpose*

*Praying with a Purpose* opens our minds to what prayer is. It is communicating with God. This is not only us talking to Him. It also involves God talking to us. It is listening to that still, small voice. It is purposely setting aside time every day to spend with God. Finally, it is having the same desire that the disciples had when they witnessed Christ praying and receiving power.

They asked Christ, “Teach us to pray.”

**Sharing with a Purpose**

*Sharing With a Purpose* opens our minds to see that those we associate with and bump into are not necessarily there by accident. You will find how easy and natural it can be to share Christ with others.

**Studying with a Purpose**

*Studying with a Purpose* gives you all the tools you need to make your journey through the Word possible, right from the start. Using the Bible, you’ll learn where to begin, how to discern Bible truth from mere religious traditions, and how to know the difference between living for God’s will rather than trying to fit Him into your will.

Steps to Christ for a Sanctified Life

Many who give their hearts to the Lord are as little babes just beginning to walk—so excited at that first step. But unlike the babies who fall and get up to try and try again until they walk without falling, many Christians are discouraged at the failings of their walk with God and do not continue to move forward. Herein find the many facets of God's love to lead us into His grace.
