Read Your Bible through in a Year

THE REMNANT STUDY BIBLE
The Remnant Study Bible is unique in ways that set it apart from all others. This Bible contains more than 1,800 special comments from E. G. White. In addition, this Bible is abundantly full of an array of Bible study aids, including a complete set of chain reference Bible studies; a charts on prophetic symbols, the miracles, and parables of Christ, and sections on the prophecies of Daniel and the Bible’s teaching about the sanctuary.

Of course, this Bible also includes what any good study Bible offers, such as book introductions and outlines, an extensive concordance, an abundance of cross-references, and wider margins for personal notes. No other study Bible offers more features for personal Bible study—and for sharing with others—than does the Remnant Study Bible.

For those who have made the New Year's resolution to read your Bible through in a year, the Remnant Study Bible also has a chart that will accommodate your need.
