Somethin’ To Shout About
Donna Green-Goodman, MPH

Lifestyle! is probably the most under-prescribed medical treatment for chronic disease. Yet, when prescribed and faithfully applied, it is the most powerful medical treatment available and has no negative side effects. Somethin’ To Shout About! is Donna Green-Goodman's personal story, the complete story of how she used a lifestyle approach to arrest what doctor’s termed aggressive, terminal breast cancer. You will be moved by her story and her faith. You will discover that the same principles she used in treating her cancer you can use to improve your health.

Lifestyle really is your BEST WAY to health.
