D'Sozo

Sinners can, through faith in Christ, become obedient to the “law of life”

D'Sozo
by Dave Fiedler

d’Sozo . . . comes from the Greek root that the New Testament uses for both spiritual salvation and physical healing. However, as the Lord’s weapon to reverse the worst evil, d’Sozo grows to become an unshakable confidence in God’s provision for every need, which frees His people to practice Jesus’ combined ministry to body, mind, and soul;
makes manifest the divine glory of self-renouncing love; refutes the devil’s assertion that self-interest is best; proves that sinners can, through faith in Christ, become obedient to the "law of life" and safe for re-introduction to the universe of the unfallen. History, inspiration, and prophecy combine to paint a picture of the end like you’ve never seen before. God’s plan is doable, and you can be a part of it!

**The Financial Crisis in Bible Prophecy**

*by Tim Aka*

The financial crisis that began in 2008 continues today though masked by an ever-growing mountain of debt in Japan, Europe, China, and the United States. Uncertainty prevails in the financial markets and the economy. Many struggle to survive as jobs disappear and money fails.

Find out God's purpose in allowing the financial crisis to hit the world and touch even His people and His church. Follow the author's personal experience of spiritual awakening and renewal as he links the story of the financial crisis to Bible truths. Most importantly, gain strength and encouragement to face the challenges that are sure to come as these events continue to their ultimate fruition.
A crisis is ahead of us. From the fields of politics and science, voices all over the world are warning of a coming oil crisis in which demand will soon exceed supply, bringing chaos to society. However, few voices are warning of an even greater crisis coming upon our planet—a spiritual oil crisis. This oil crisis is vividly portrayed in the parable of the ten virgins who went forth to meet the Bridegroom. Five were wise; five were foolish. The foolish did not possess enough oil to keep their lamps lit in the darkness of night in preparation for the coming of the Bridegroom. Similarly, many professed Christians will not have enough of the Holy Spirit to be kept from the deceptions of darkness that will come upon the world just before the second coming of Christ. We are indeed headed for the greatest crisis this world has ever witnessed.

In taking an in-depth look at the parable of the ten virgins, this book shows the reader how to be prepared for the time of trouble that is just ahead of us in the sequence of prophetic events. Herein you'll find answers to questions you may have already asked.

How can I prepare for the crisis?
What is the outpouring of the latter rain?
Does the latter rain occur before or after the time of trouble?
What is the light that will lighten the earth with glory?
What will it take for Christ to return?
