All about Angels the Good and the Bad
Did Christ interact with mankind before Bethlehem and the cross?

The Angel Who Is Jesus

Dr. Louis Torres, D.H.L.
NEW Release

The Angel Who Is Jesus

by Louis Torres

We know the stories of the healings, the raising of the dead, and all the miracles that are recorded in God's Word. We can follow Christ step by step through His life and finally see the gut-wrenching story of the cross. That kind of love is inconceivable. To help us understand this concept, almost every page of the New Testament has something to do with the life of Christ on behalf of you and me.

What about the Christ of the Old Testament? Did Christ interact with mankind then? This book brings out many wonderful and exciting truths about the role Christ played on our behalf in the Old Testament. From the very first book in the Bible, Christ is personally on the scene.

Also, what about the heavenly being named Michael? Who is this exulted Angel? The answer is truly amazing. These important answers and many more will make us look at the life of Christ as even more inspiring than we first thought. If you want to see the complete story of our Savior, this book is a must-read.

Demon possession has been a puzzle for many, for others a fascination, and still for others...
a fabricated lore merely to frighten people. Whether you are like the biblical Sadducees
who “say that there is no resurrection, neither angel, nor spirit” (Acts 2:38), superstitious, or
just plain skeptical about the topic, this book will answer your questions.

Pastor Torres shares remarkable true-to-life stories where angels from a heavenly realm
have led God's people from the brink of tumbling into a dark abyss. He also shares
incidences of demon possession as well as mistaken perceptions of demons because of a
lack of careful scrutiny. The contrast between angels of light and demons of darkness is
unmistakable.

This book clears the fog of misconception between the demonic and the angelic to assist
the sincere readers to find relief, leading them to understand what will help them avoid
mislabling those who are suffering from medical maladies and not possession.

Many know the author on some level. Now you can know the mother who shaped the man.

In this loving biography of his mother, Louis R. Torres candidly and transparently exposes the intriguing and arduous life of the woman he knew as Mami. As you follow the path of her life, you will laugh, be moved to tears, sympathize, and empathize as you are moved from humorous events to the tragedies engulfing her daily life. Follow her as in her naiveté and simple, firmly grounded faith, she plunged herself into unbelievable situations that threaten to smolder her tenacity to raise six boys in the asphalt jungle of New York City during the days of the famous Westside Story.

Despite the hardships depicted on these pages, you'll find comfort and courage in adversity. You'll be encouraged to press forward to see your hopes and dreams come to fruition.

Bothersome and Disturbing Bible Passages
by Louis Torres
When Louis Torres embraced the God of the Bible, his changed life led to encounters with different faiths and belief systems. In these journeys he was amazed at how many biblical texts were taken out of context or twisted to fit people’s ideas.

This book covers the many passages of Scripture verses that are typically difficult to understand. Sometimes the old English contributes to our modern-day misunderstanding of texts that if misapplied can lead to a shipwreck of faith. The purpose of this work is to explain, in simple language, scriptural verses that otherwise seem perplexing.
