The Naked Truth
The Eternal Difference Your Health Can Make

by H. E. Bisalski
“Good News! Keep that cherished unhealthy lifestyle that is eating away at your health. We have a pill for that.”
“Medicate, then eat, drink, and be merry.”

These propositions and others seem to be the current philosophy of the medical community, and we hear these messages every day. If we don’t examine the real problem, the results may be more like eat, drink, and be buried. H. E. Bisalski shows us a much better alternative.

Having a healthy lifestyle is the answer to not only reversing current health problems and becoming and staying healthier. Live a richer life instead of contributing to the billions of dollars the pharmaceutical companies have already made. Many of our problems can disappear by the simple, common-sense instructions outlined in this book.

d’Sozo
by Dave Fiedler

d’Sozo . . . comes from the Greek root that the New Testament uses for both spiritual salvation and physical healing. However, as the Lord’s weapon to reverse the worst evil, d’Sozo grows to become an unshakable confidence in God’s provision for every need. History, inspiration, and prophecy combine to paint a picture of the end like you’ve never seen before. God’s plan is doable, and you can be a part of it!
