A Seventh-day Adventist Biblical Response to the Seventh-Gay Adventists Film (DVD)

Hosted by Steve Wohlberg

This dialog addresses the current controversy over homosexuality within the Seventh-day Adventist Church. The film, Seventh-Gay Adventists, promotes the idea that if Adventist congregations are to reflect the loving image of Jesus, they should offer full acceptance to committed, monogamous, same-sex couples. Special guests Wayne Blakely, Mike Carducci, and Ron Woolsey, each of whom at one time chose to live a gay lifestyle, share the truths of the Bible in regard to homosexuality as well as the love, forgiveness, healing, and transformation our Savior offers.
“That Kind Can Never Change!” Can They ... ?

by Victor J. Adamson

The true story of one man’s struggle with his own homosexuality—was he born this way, or was he conditioned by abuse, environment, and circumstance? Could God love him in spite of the lifestyle he was leading? Was it possible for someone like him to change or to be changed? The author’s path to victory is shared so that others may know that “with God nothing shall be impossible” (Luke 1:37).
