Devotional 2-Book Gift Set

Beautifully Crafted, Includes Dust Jackets on Each Book

This exciting new devotional set includes two inspirational hardcover books: *The Noble Character* and *Noah: Another Storm Is Coming*. For a limited time you will also receive a FREE copy of *The Least of the Least* book with each devotional set you purchase!

*The Noble Character* was compiled from *The Remnant Study Bible*. In developing this 366-day devotional, we used the greatest book ever—the Bible. We pulled out the best stories and used the comments from *The Remnant Study Bible* to give you a book that is more essential now than ever before.

*NOAH: Another Storm Is Coming* is a story that still matters today. Jesus warned that the history of Noah’s time and the greatest storm the world has ever seen would repeat itself just prior to His return. That new storm is coming soon. To survive it, you will need to have the faith of Noah, the faith to believe when so many doubt, the faith to be patient when all seems lost, and the faith to trust God and His Word for 120 years—so long against so many odds—when every day your friends call you crazy and fanatical. This book will show you how to have that extraordinary faith.
Archaeology and history confirm that the Exodus is not a fairy tale or fable. It really happened. The primary record of this stunning story is found in the Bible itself, bearing the name of the great deliverance: Exodus. In Remnant's newest sharing book, compiled from the classic works Patriarchs and Prophets and The Great Controversy, the Exodus is chronicled just as its leader, Moses, recorded and preserved it for all time in the Bible's Old Testament. The Exodus, when told faithfully, gives glory and honor to the one true God—and it shows the sad powerlessness of the many gods worshiped by Pharaoh and the Egyptians. What an awesome showdown! The true God versus an array of false gods—Moses versus Pharaoh.

So what is the best way to share this powerhouse of truth? The answers lies in the season. Other than the obvious of handing the books out at the theaters once the film opens, the
books may be used as gifts for those who attend church and school Christmas programs. Better yet, hand out the books door to door with church members as you go caroling throughout your local neighborhoods. People are much more willing to accept gifts this time of year.
