Pastor Louis Torres examines an array of topics: the biblical view of women's ordination, the Angel of the Lord, as well as God's angels and demonic forces.
About the Book
This book springs out of the desperate need to satisfy the clamoring cry for women that have been marginalized in the local church, regardless of education, race, gender, and background. It found itself caught up in this cry: ‘We can’t (“Woman’s day”) without the word’ and ‘We can’t (“Why Not?”) without the call to worship’.

About the Author
Pastor Torres’ more than 30 years of experience both inside and outside the church gives him a very unique perspective in the churches of New York. He does not have his followers “just because”, but because of his unique knowledge of the Holy Word in the Lord’s Church.

WOMEN PASTORS, WHY NOT?

BY LOUIS R. TORRES
In examining the Scriptures as we are given counsel in Isaiah 28:10—“For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little”—Louis Torres considers the biblical view of ordination. Using Mark 16:15, he shares that every individual is called into ministry. Everyone is responsible to share the gospel message, no matter his or her age or gender.

Biblical teaching on the matter of ordination, however, is another matter. Jesus clearly had women who carried the gospel message. One such woman was the Samaritan woman at the well in John 4:1–42. She carried the gospel message, but she was not established as a minister.

Jesus, however, ordained only men as His disciples: “And he goeth up into a mountain, and calleth unto him whom he would: and they came unto him. And he ordained twelve, that they should be with him, and that he might send them forth to preach (Mark 3:13–14).”

In looking at the Old Testament, only men were ordained to the priesthood. They were the ministers of the day. Also, the elders were all men. In Numbers 11:16, the Lord asked Moses to “gather unto me seventy men of the elders of Israel.” In verses 16–25, Bible readers see God’s personal sanctification or ordination process.

Throughout these pages, Pastor Torres adheres to Isaiah advice by taking into account a full scriptural teaching on the subject of ordination.

Demons or Angels

by Louis Torres, D.H.L.

2013 Christian Choice Book Awards Winner

Demon possession has been a puzzle for many, for others a fascination, and still for others a fabricated lore merely to frighten people. Pastor Torres shares remarkable true-to-life stories where angels from a heavenly realm have led God’s people from tumbling into a dark abyss. He also shares incidences of demon possession and mistaken perceptions of demons because of a lack of careful scrutiny. The contrast between angels of light and demons of darkness is unmistakable.

This book clears the fog of misconception between the demonic and the angelic to assist the sincere readers to find relief, leading them to understand what will help them avoid mislabeling those who are suffering from
medical maladies and not possession.
