THE REMNANT STUDY BIBLE

For nearly six years, thousands of people have been using *The Remnant Study Bible* as an essential tool to connect with our Lord and to grow their characters. While the heart of this tried-and-true Bible remains the same, Remnant Publications has given the outside covering a new look.

This Bible is unique in ways that set it apart from all others as it contains more than 1,800 comments from the most beloved books penned by E. G. White. This red-letter edition includes an abundant array of Bible study aids: a complete set of chain-referenced Bible studies; charts on prophetic symbols, the miracles, and parables of Christ; sections on the prophecies of Daniel and the Bible’s teaching about the sanctuary; and a wealth of other information.

Of course, this Bible also includes what any good study Bible offers, such as book introductions and outlines, an extensive concordance, and an abundance of cross-references. No other study Bible offers more features for personal Bible study—and for sharing with others—than does *The Remnant Study Bible*.

Truly, *The Remnant Study Bible* is the last Bible you will ever need.
