LOVE IS POWERFUL: Love's agencies have wonderful power, for they are divine. The soft answer that "turneth away wrath," the love that "suffereth long, and is kind," the charity that "covereth a multitude of sins"--would we learn the lesson, with what power for healing would our lives be gifted! How life would be transformed and the earth becomes a very likeness and foretaste of heaven! These precious lessons may be so simply taught as to be understood even by little children. The heart of the child is tender and easily impressed; and when we who are older become "as little children," when we learn the simplicity and gentleness and tender love of the Saviour, we shall not find it difficult to touch the hearts of the little ones and teach them love's ministry of healing. Pure love has special efficacy to do good, and can do nothing but good. It prevents discord and misery and brings the truest happiness. Wealth is often an influence to corrupt and destroy; force is strong to do hurt; but truth and goodness are the properties of pure love.
