HIS WORD REVIVES

BE A DILIGENT BIBLE STUDENT: The study of the Bible in our schools will give the students special advantages. Those who receive into their hearts the holy principles of truth will work with increasing energy. No circumstances can alter their determination to attain to the highest possible standard. And that which they have received they will impart to others. As they themselves drink from the fountain of living water, from them will flow living streams to bless and refresh others.

The diligent Bible student will constantly increase in knowledge and discernment. His intellect will grasp elevated subjects and lay hold of the truth of eternal realities. His motives of action will be right. He will use his talent of influence to help others to understand more perfectly their God-given responsibilities. His heart will be a wellspring of joy as he sees success attend his efforts to impart to others the blessings he has received. {Counsels to Parents, Teachers and Students, p. 450.}

THE BIBLE SHOULD NOT BE LAID ASIDE IN OUR SCHOOLS: Can we find for our schools any textbook filled with such deep, earnest declarations as is the word of the living God? Then why should this Book be laid aside for the writings of infidel authors? What more valuable book could be placed in the hands of students than that which teaches them how they may inherit eternal life?

The lessons of Bible history should be kept before the youth in our schools that those who have no love for God and no interest in spiritual things may become interested, and learn to love the word. Christ is the center of all true doctrine. All true religion is found in His word and in nature. He is the One in whom our hopes of eternal life are centered; and the teacher who learns from Him finds a safe anchorage. {Counsels to Parents, Teachers and Students, p. 453.}
