GOD'S CHURCH MUST:

ENCOURAGE FAITHFUL SENTINELS: This instance should teach us that in every place the church needs faithful sentinels. God's servants are to be very careful lest they encourage anything savoring of idolatry; for the Lord will charge the sin upon them. The church claiming to believe the truth will have all kinds of temptations to enter into a course of action that will divorce the soul from God; and in all our churches, faithful men should be appointed, who will bear responsibilities nobly for God. Firm barriers should be erected to prevent disaffection and corruption from entering the church.

BE AWAKE AND VIGILANT: Vigilant men are wanted in every church. Every member should be awake and active, feeling that he is responsible for the prosperity of the church. The reason there is so much dissension in the churches is because they do so little for God. Satan gives them a work to do for him in finding fault, murmuring, and talking discouragement. You will ever find that those who invest least in the cause of God are the ones who will express great concern as to how those at the head of the work are using the means in their trust. Those who do least have the least faith. They are like Judas, who grudged the money that would comfort, and bless, and honor the Redeemer. But let the church come up individually, every one doing what he can, and all that God requires, and these petty difficulties will not exist. The mind will be so engrossed in the greatness of the work, in devising plans for its advancement, that they cannot spend time to investigate their brother's work or motives.
