GOD’S CHURCH MUST:

BE A TRAINING FIELD FOR THE MEMBERS: That which is needed now for the upbuilding of our churches is the nice work of wise laborers to discern and develop talent in the church,—talent that can be educated for the Master's use. There should be a well organized plan for the employment of workers to go into all our churches, large and small, to instruct the members how to labor for the upbuilding of the church, and also for unbelievers. It is training, education, that is needed. Those who labor in visiting the churches should give the brethren and sisters instruction in practical methods of doing missionary work. \{Testimonies, vol. 9, p. 117.\}

It is by education and practice that persons are to be qualified to meet any emergency which may arise; and wise planning is needed to place each one in his proper sphere, that he may obtain an experience that will fit him to bear responsibility. \{Testimonies, vol. 9, p. 221.\}

DISCIPLINE AND FIT HER MEMBERS: God expects His church to discipline and fit its members for the work of enlightening the world. An education should be given that would result in furnishing hundreds who would put out to the exchangers valuable talents. By the use of these talents, men would be developed who would be prepared to fill positions of trust and influence, and to maintain pure, uncorrupted principles. Thus great good would be accomplished for the Master. \{Testimonies, vol. 6, pp. 431, 432.\}
