You may have seen the speech Dr. Ben Carson delivered at the National Prayer Breakfast back in February. Many of his ideas are featured in his latest book America the Beautiful, available at your local ABC and online.

Tackling the issues at the forefront of the American mind---healthcare, education, capitalism, and more, America the Beautiful is indispensable reading. From four-time best-selling author, internationally renowned neurosurgeon, and humanitarian Dr. Ben Carson, here is a sobering and inspiring manifesto of America’s greatness, its failings, and the values and changes it will take to carry our country into a brilliant and prosperous future.
