God Fills Us With His Love

New wine must be put into new bottles; and both are preserved. Luke 5:38.

We should earnestly seek to know and appreciate the truth, that we may present it to others as it is in Jesus. We need to have a correct estimate of the value of our own souls; then we would not be as reckless in regard to our course of action as at present. We would seek most earnestly to know God’s way; ... and our constant prayer would be that we might have the mind of Christ, that we might be molded and fashioned after His likeness. It is in looking to Jesus and
beholding His loveliness, having our eyes steadfastly fixed upon Him that we become changed into His image....

The end is near! We have not a moment to lose! Light is to shine forth from God’s people in clear, distinct rays, bringing Jesus before the churches and before the world.... The instrumentalities to be used are those souls who gladly receive the light of truth which God communicates to them. These are God’s agencies for communicating the knowledge of truth to the world. If through the grace of Christ His people will become new bottles, He will fill them with the new wine. God will give additional light, and old truths will be recovered, and replaced in the frame-work of truth; and wherever the laborers go, they will triumph. As Christ’s ambassadors, they are to search the Scriptures, to seek for the truths that have been hidden beneath the rubbish of error. And every ray of light received is to be communicated to others. One interest will prevail, one subject will swallow up every other,—Christ our righteousness....

“I am the Lord which exercise loving-kindness, judgment, and righteousness in the earth: for in these things I delight, saith the Lord.” This is what needs to be brought into ... all our churches. God wants every soul to turn to the first love. He wants all to have the gold of faith and love, so that they can draw from the treasure to impart to others who need it.
