Assistant Officials Training

Not only are the olympics on our doorstep but also the much loved annual London Youth Federation Sports day (24 July). To make Sports Day a success its important to have qualified officials, therefore this year, we are encouraging anyone that is interested in being an official at Sports Day to attend the Level 1 Assistants Officials Course run by the UKA (United Kingdom Athletics). This course can also be recorded in your YLA Booklet as an Extra or Bolt On.
