Latest YLC Istanbul Update

SPACES STILL AVAILABLE! BOOK HERE

Our latest addition to the speakers for this YLC is Matt Oliver (Operations Director More Than Gold)

Matt has spent most of his decade in mission working around the globe running sports ministry projects, training others in sports ministry and helping the church make the teaching of Jesus relevant through football.

Originally serving with Ambassadors in Sport Matt has led mission teams to 3 world cups (Japan, Germany & South Africa) as well as other missions to America, Australia Czech Rep, Spain and South East Asia. During this time he was part of the team that wrote the international training programme TREC (Training Resourcing Equipping Coaches and Churches) which has trained nearly 1000 sports missioners globally.

Inspired by the award of the 2012 Olympics Matt planted an AIS office in London in 2007 with the vision to see Church based community football outreach in every London borough by 2012. By the time he left the team was increased from 2 to 8 and was working with around 800 people a week in 21 of London’s 33 boroughs.
In 2010 Matt left AIS to join the team at More Than Gold as Operations Director. The vision of MTG is to see the church across the UK engaged in acts of service hospitality and outreach.

Before being called to full time mission Matt was a professional Actor and Semi Professional footballer and was manager of Semi Pro side Tokyngton Manor FC.
