**365 Pledge Continues**

Thank you extends to all those who supported the Day of Fellowship and hope you were able to leave the place inspired by the words delivered by Pastor Juan. Over 4,000 cards have already been shared among us, our friends and communities, but remember this is just the beginning!

We continue to encourage you to go out and share your faith, the love of Christ and the pledge for peace everyday over the year. If you want to plan your own community campaign using the cards and need some volunteers, then just contact us and we will supply the cards and put the word out for volunteers.

We have scheduled some more street outreach days for you join us and you can find the dates below.

**Thursday 25th August 2011** – Leicester Square 4-6pm  
**Thursday 15th September 2011** – Stratford City 4-6pm

**YLC Istanbul 2011**

Those who came will be able to tell you what an amazing experience it was being able to fellowship and be revived in Istanbul. The weather, the speakers, the hosts, the youth leaders all played a huge part in making the trip a success and a blessing for all. It is our hope now that the youth leaders will continue to ‘Meet Jesus’ every day and will inspire all youth to do so too.

There is no training like being away and learning about Jesus and it is our hope that many of you will join us next year by God’s grace, when we will embark on a new journey through Jerusalem!

Look out for the photos and materials/hand-outs to be made available soon!
HUB Online is back! Send us your event promotions, articles, poetry, music promotions and stories to be featured in the next edition. Look out for the new edition coming shortly!
