Miss Summerton Completes University Library Service

Effie M. Summerton April 1 completed more than five years of service to the University when she withdrew as acting head librarian of Verner Baldwin Memorial Library. She will be married to Ray- mond Nelsen, of Idaho, April 18 in the chapel of Kate Lindsey Hall. The couple will make their home in Idaho.

Miss Summerton joined the library staff in 1959 after serving as assistant librarian at Walla Walla College, College Place, Washington, for ten years. She has been also an elementary school teacher in Superior, Wisconsin, and was principal and librarians at Frontview Academy, which was then located in LaGrange, Illinois.

A graduate of Emmanuel Business College, Barrie Springs, Michigan, Miss Summerton also attended the University of Illinois, Urbana, where she received a Master's degree in library science.

She holds memberships in the American Library Association, the Medical Library Group of Southern California, the California Library Association and the Christian Librarians' Association.

Reld J. Reynolds, vice president for academic affairs, in commenting on Miss Summerton's service to the University, said, "While we wish her well in her new role, we will miss her. We have greatly appreciated the quality of her professional service."

Reynolds Retires; Cleveland Named Vice President for Academic Affairs

After 45 years in higher education, Dr. Reld John Reynolds, vice president for academic affairs at Loma Linda University, has decided to seek retirement, which will be effective July 1. He has served the University since November 1919 as dean of the faculties, a title that later became vice president for academic affairs.

Dr. Reynolds' announcement of his retirement was followed by the appointment of Robert J. Cleveland, PhD, as present the academic dean of Atlantic States College in South Lancer, Massachusetts. A biographical sketch of the new vice president will appear in next week's issue of University SCOPE.

Dr. Reynolds began his educational career in the fall of 1919 when he accepted a call to teach at Hutchinson Theological Seminary, Hutchinson, Minnesota.

A native of Copenhagen, Denmark, where he was born March 7, 1897, Dr. Reynolds can look back on years of growth in denominational higher education. He received his secondary and college education in Seventh-day Adventist schools and worked a lifetime to enrich programs of higher learning within the church.

Godfrey T. Anderson, PhD, president of Loma Linda University, in announcing Dr. Reynolds' retirement, expressed deep appreciation for the years he had given the University, as dean of the faculties of the College of Medical Evangelists in 1954 and as vice president for academic affairs, when the title was changed in 1958.

Dr. Anderson spoke with high regard of his colleague, who had stood by him since 1954, when they were appointed to their present positions. During the ten years at Loma Linda, Dr. Reynolds has witnessed a steady growth in educational facilities and in the academic structure of the University.

The University has added the Graduation School (established 1925), the Dental Hygiene Curriculum (1929), Occupation-Al Therapy Curriculum (1939), Medical Record Administration Continued on page 4

Scope to Accept Advertising Again

University SCOPE will accept advertising in both regular and special issues beginning next week. Such advertising must be in keeping with the educational and religious standards of Loma Linda University and must conform with postal regulations applicable to this non-profit newspaper.

Advertising policies will permit the acceptance of advertising of particular significance to the University or to its constituency which meets the standards of church-affiliated higher education.

In addition to regular weekly issues, advertising may be placed in a special souvenir edition of University SCOPE which will be published at the time of commencement exercises and groundbreaking ceremonies for the University Medical Center June 4 through 7.

University Phone Number Changed

The General Telephone Company of California has assigned to the University a new telephone number for the San Bernardino interchanges.

The new number: 883-5031. Calls in the Loma Linda area will continue to use 796-0161, and those in the Riverside area 666-5432.

Tickets Available For Talent Show

Tickets for a talent show sponsored by the junior class in the School of Physical Therapy to be May 9 are now available. The date first set was April 6, but was changed to avoid a conflict with one-day camping.

Tickets may be purchased for 95 cents each at the School of Physical Therapy, Kate Lindsey Hall, Pacific Hall, University Hospital, and at the Harris Company in San Bernardino and Riverside.

Twenty-five students from various schools of the University will participate in the two and one-half hour show, which will be in Loma Auditorium, Riverside. There will also be entertainment during intermission.

Dr. Maxwell to Washington Meet

A meeting of the General Conference ministerial training advisory committee April 13 in Washington, D.C., will be attended by F. Graham Maxwell, PhD, director of the Division of Religion.

Dr. Maxwell is a member of the committee. Chairman is Theodore Carchie, vice president of the North American Division.

Alumni Visit From Missouri

Jennie Cole Ewert, SN'30, is presently in Loma Linda with her husband, John O. Ewert, SM'29, who is ill at Loma Linda University Hospital.

Their home is in Sedalia, Missouri, where Dr. Ewert has an active practice. In addition they are financing a mission school project in the Philippine Islands which has resulted in a number of baptisms.

Free Copies of SCOPE Limited

Because of the transfer of hospital ownership from Loma Linda University to the Southern California Conference of Seventh-day Adventists, only those employees of the White Memorial Medical Center who are connected with the University may continue to receive SCOPE free of charge.

ENDOW TOMORROW BY INVESTING IN EDUCATION ... TODAY

Have you ever considered a living trust? This is an agreement which transfers property to the Loma Linda University to manage during your lifetime. Both revocable and irrevocable trusts offer flexibility of arrangements, security, and satisfaction of seeing your philanthropic dollar at work—all these in addition to providing income for yourself or for a loved one.

Write for information.

Write or call President G. T. Anderson regarding numerous opportunities to share in advancing the welfare of those who depend on the University and its hospitals. There is no obligation.
